YOU WILL BE SHOWN A PRESENTATION ON THE RESORT, THE LATEST IN TECHNICAL SNOW GEAR BY PROFESSIONAL AND KNOWLEDGABLE SHOP ASSISTANTS, AS WELL AS AN INTRODUCTION TO SKIING OR SNOWBOARDING ON THE NEWLY UPGRADED 50M ARTIFICIAL INDOOR SLOPE.

TIFFINDELL SKI RESORT

2007 SEASON

From your first welcoming drink, through to your final goodbye, our friendly staff will look after you so you can enjoy the 'MAGIC of snow' in this unique African environment. The mountain is the perfect place to escape from reality and enjoy a snowy, thrilling time.

LEARN TO SKI OR SNOWBOARD. Tiffindell has skilled ski and snowboard instructors, who will teach you to ski safely, and ensure that by the end of your stay, you will be able to swish down the slopes with control. A beginner ski (R230) or snowboard (R230) course is compulsory for first timers, on specially prepared flat beginner area about 60m long. After your course, you should be skiing or snowboarding on your own with control and using the beginner lift for a day or two. As you gain confidence, you will move onto the main slope. Private beginner, intermediate and advanced lessons are available on request.

SKIING & SNOWBOARDING are adrenaline sports, which never cease to challenge. There is always more to pit your skill and nerve against, especially with the improved equipment available, including carving skis. The main slope is currently 600 metres long but will increase with our development plan for the 2006 season. At times only parts of this are usable, depending on the snowmaking weather and natural snowfalls. It is ideal for practising and improving your abilities in jumping, slalom and quick turns. The slopes cater for about 300 skiers per day and after good snowfalls, guests can also ski off-piste for up to 1.5Km.

STAY IN HEATED TIMBER CHALETs. Tiffindell's 180 guests are accommodated in centrally heated rooms within 100m of the slope and the main lodge. There is a choice of private chalets; en-suite bedrooms, budget accommodation rooms in the lodge with shared ablution facilities, or the option of luxury 6 or 12 sleeper self-catering accommodation. (Guests have the option to enjoy the hospitality of off slope accommodation in the beautiful New England and Rhodes farming areas, within 25km of the resort. Call Kath Cell on 045 974 9900 for more info). For the more daring, camping is available.

FOR THE HEARTY AND FESTIVE, enjoy our full English buffet breakfasts and a La Carte dinners in the "UPPER LIMITS" restaurant. Take away lunches are available, to satisfy the skier's daytime appetites.

ENTERTAINMENT YOU WILL REMEMBER! Tiffindell's Après-Ski, matches the best, with some really unique programmes. Enjoy Schnapps and Gluhwein in South Africa's highest pub - "Ice Station 2720". Try some of the local snowy cocktails, hang upside-down from skis and watch the flame torch ski demonstration. Have a few drinks at 'Yeti's Retreat Pub' as the sun goes down, sit by the fire, or party the night away. There is also a games room and childminding facility. There are a range of daytime activities including exhilarating walks, a visit to frozen waterfalls or the spectacular Telle Falls, participation in a snowball fight, making a snowman or bum boarding!

WE HAVE ALL YOUR SKI GEAR The ski hire will supply you with all the equipment you need for snow activities. Ski clothing for hire or sale is available at reasonable prices, while a range of accessories, including sweaters, beanies, goggles, cameras & pharmaceutical goods is also available. You can purchase your winter gear from our ski shop in Fourways at Snowscape, at the same prices as on the mountain.

WORRIED ABOUT YOUR INJURIES. The resort has medics on duty, with a first aid room. The front desk can assist with hangovers, aches and pains, while a resident masseuse can ease your muscles.

SNOWMAKING currently covers 600m of ski run for about 3 months of the year, during average winters, this too will increase with the next few phases of the development plan. The advanced system with a grooming machine, ensures the best possible conditions in an African climate. Tiffindell's modern snowmaking equipment is like a fancy sprinkler system making use of the natural cold weather high up in the mountains to freeze the water into crude snow crystals.

TIFFINDELL'S UNIQUE LOCATION Tiffindell's pioneering efforts in 1993 led to Southern Africa's only ski resort being established on the slopes of the highest mountain in the Cape - Ben McDhui, at 3001m (on the Lesotho & RSA border). The resort is constantly expanding and is a popular winter holiday venue. The carefully selected position of the resort, on the south facing slope of the highest mountain in the Cape, ensures that the snow lasts, extending the time available for snow skiing. Slopes cleared and groomed during summer quickly transform to ski runs after even the lightest of snowfalls. There is MTN, Vodacom and Cell C coverage at the resort.

GETTING TO TIFFINDELL Tiffindell is situated high in the mountains above the historic town of Rhodes, about 212km east of Aliwal North. 2WD, 1300cc vehicles via Rhodes, with no trailers, can reach the resort. A shuttle service offers transport for visitors via Rhodes (R120 rtn) and Wartrail (R130 rtn) and is to be booked with the resort a few days before your arrival date. Private vehicles not driven to the resort can be left in secure, uncovered parking areas.

SHORTEST DISTANCES TO TIFFINDELL It's a long way to Tiffindell, but the journey is very scenic and worth it.

Johannesburg 817km	(+/- 9hrs)	Cape Town 1177km	(+/- 13hrs)
Port Elizabeth 642km	(+/- 7.5hrs)	Durban 650km	(+/- 7.5hrs)
East London 521km	(+/- 6hrs)	Bloemfontein 419km	(+/- 4.5hrs)
